Hill Dickinson

Hill Dickinson is a law firm that is committed to achieving the right outcome for you.

An unpredictable world calls for a progressive-thinking law firm that's aligned to your ambitions.

With a reputation for

resolving disputes, enabling transactions, navigating regulations, and optimising legal strategies...

you'll find us wherever you need us to be.

What working with us means to you: our promise to clients.

You have our support, today and tomorrow, with lawyers who look out for your interests as if they were their own.

Choosing legal advisers shouldn't feel transactional. Whether you are in the public sector, a business, or it's personal, Hill Dickinson works alongside you as people you can trust to protect your interests with integrity and understanding.

You can be certain that we'll always take the time to understand what matters to you most. That means listening carefully, interpreting what you need, and providing commercially focused advice that helps you make decisions with complete peace of mind. You'll work directly with partners who when you need us to will stay hands-on, allowing you to focus on other priorities.

Clients tell us our people combine technical strength with genuine warmth, bringing a calm confidence to complex situations. We anticipate challenges and opportunities early, looking beyond the legal detail to deliver strategic advice that helps you move forward with confidence. Timing matters too – whether it's an emergency at midnight, a fast-moving deal, or a family matter that requires sensitivity, expect it to be handled with clarity and care.

At the heart of it all, we're people, not just lawyers. We invest in relationships that last, built on trust, understanding and collaboration. For us, together is always better.

Our leadership team

At Hill Dickinson, we make it our business to understand your challenges and opportunities and have the drive and determination to turn them into decisive action.

With this in mind, each of our Business Group Leaders drives the strategic direction of their specialist area and ensures we have the breadth of talent to deliver exceptional client service.

Craig Scott
Chief Executive Officer, Board Member

As Chief Executive Officer of Hill Dickinson, I'm responsible for leading the firm's strategy, growth and culture. I bring a strong belief in purposeful leadership, combining commercial performance with a people-first approach that gives everyone the opportunity to succeed.

I joined the firm in 2010 and have worked as a lawyer for more than 25 years, specialising in corporate transactions, private equity and M&A. Before becoming CEO in 2024, I led our Corporate team nationally and more recently our Business Services Group, the firm's largest division. >

Michael Bennett
Chair, Board Member

As Chair of Hill Dickinson's LLP Board, I help shape the firm's strategic direction and long-term growth while continuing my practice as a corporate partner in London. I advise UK and international companies, financial institutions, brokers and nominated advisers on IPOs, secondary offerings and listings on the Main Market, AIM and AQSE, as well as public and private mergers and acquisitions, takeovers, joint ventures and strategic cross-border transactions.

With extensive experience across domestic and international markets, I am committed to ensuring the firm continues to deliver pragmatic, commercial solutions for clients worldwide.

Fiona Parry
Head of Business Services

I lead Hill Dickinson's Business Services Group, the firm's broadest division. Our team brings together expertise across commercial, corporate, dispute resolution, employment, pensions, private client, family and real estate law, supporting businesses across a wide range of sectors; from retail and transport to professional services and beyond.

In addition to my role as Group Head, I am a Partner with more than 25 years of experience in commercial litigation and dispute resolution. >

Tony Goldsmith
Head of Marine Trade and Energy

As Business Group Leader of our Marine, Trade and Energy Group, I support our lawyers to provide a top quality service to clients across our global offices.

My early career was spent at sea as a Master Mariner, and I combine this first-hand practical experience and seafaring knowledge with 30-plus years' of providing practical solutions to clients as their lawyer at times of crisis; experience that I bring to my daily work supporting and helping our lawyers delivering a pragmatic and results focused service. >

Andrew Craggs
Head of Health

As Head of Hill Dickinson's Health Business Group, I lead a national team of legal specialists working across the NHS and independent healthcare sectors. We provide strategic advice and support to healthcare clients across the country and internationally.

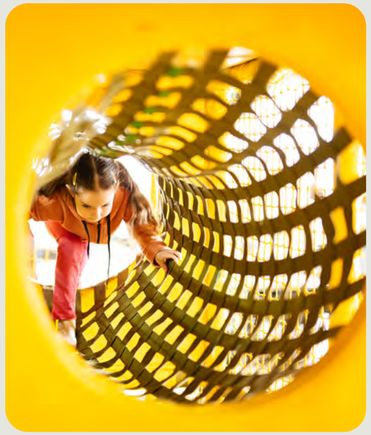
My personal focus is on complex health litigation and national patient safety matters. I have worked with NHS Resolution for many years, both as a litigator and in my role as client relationship partner. Having worked at Hill Dickinson for my whole career over 25 years, I have led the group nationally to now provide a full service offering to over 300 health and social care clients. >

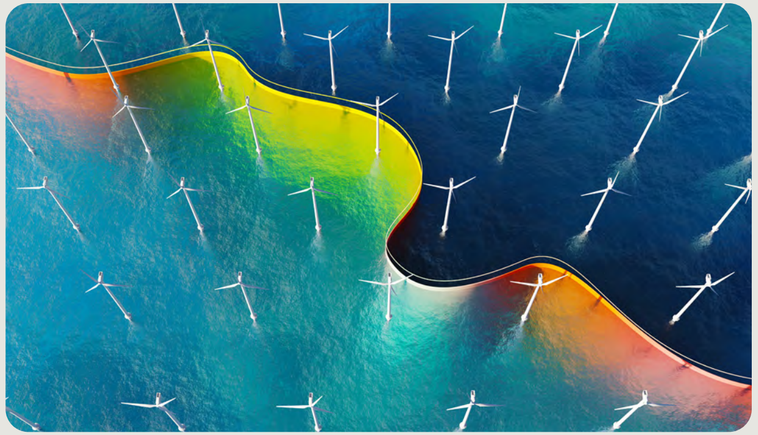
You will quickly discover that it's the people at Hill Dickinson
who make the real difference, bringing their

deep sector **expertise**, **unwavering commitment** and a **collaborative** approach

to every situation you face
as a business or individual.

Our core values drive every decision we make for clients, colleagues and the diverse communities we're proud to work within.





Our values

We are
Human and approachable

Collaboration is at the heart of everything we do. By sharing knowledge, listening openly, and supporting each other, we achieve more together.

Whether it's with colleagues, communities or clients, teamwork and partnership are how we consistently deliver the right outcomes.

Together is always better.

We are
Fully invested

We help each other to grow. By investing in people, communities and client relationships – we unlock potential, foster development, and create opportunities built on respect.

When you grow, we all grow. When you succeed, we all succeed.

Growth is a shared journey.

We are
Progressive thinkers

We prioritise what matters most. We embrace learning, seek fresh perspectives, and challenge the status quo to find smarter solutions.

Staying open-minded and innovative helps us stay ahead in a constantly evolving world.

Clarity drives impact.

We are
Responsible

We do what's right, not what's easy. We act with honesty, integrity, and responsibility in every decision.

By staying true to our values, we build trust with our clients, colleagues, and communities.

Fairness means everything.

A responsible business

Whoever we work with, whatever we do, wherever we are, how we do things matters. For us, it starts with people. Achieving more, delivering better, whether it's for clients, colleagues or the communities around us.

Integrity is integral. Not simply because doing the right thing makes us look good. It makes us mean more and create better futures for all of us. It's why equality, diversity and inclusion matter here.

It's where deep-rooted community engagement meets principled environmental stewardship and enhanced client sustainability.

Because, in the end, making a difference isn't just about what you do. It's about the way you do it and the impact it leaves behind.

Our people >

Everything starts with our people. So we invest in empowering them to thrive. We continue to grow talent from within, so nobody is left behind.

Our communities >

We're proud to play a central role in enhancing our communities, we invest real time, effort and expertise wherever we put down roots.

Our planet >

We're playing our part in protecting the only home we all share by making environmental sustainability a core part of how we work, helping shape a better future for generations to come.

Our clients >

Experience expert legal advice. Delivered across borders, sectors and specialisms. With integrity, commercial focus and a human touch.

Services

The services we provide are shaped by the challenges you face every day: complex, fast-moving and high-stakes. Whether resolving disputes, enabling transaction's navigating regulation or a personal matter, our expert advice is tailored to enable you to move forward with clarity and confidence.

Enabling transactions >
Every deal is business-critical. That's why we provide hands-on, senior lawyer led legal support, from M&A and financing to real estate and capital raising. We move quickly, protect your position, and deliver with precision at every stage.

Resolving disputes >
We move fast to protect what matters. From complex litigation to private negotiation, we combine strategic thinking with clear advice to resolve conflicts efficiently, without escalating cost, risk or disruption.

Navigating regulation >
Whether you're navigating evolving regulations, facing scrutiny, or managing compliance frameworks, we take this in our stride, keeping you on the front foot.

Our advice is practical, risk-aware and built around your actual business priorities and not abstract theory.

Specialist advice >
Our knowledge runs deep across a breadth of sectors and niche specialisms. From Inquests and Inquiries to Sanctions and Deprivation of Liberty, we help clients navigate complexity with confidence. Whether in marine, healthcare or tech, we deliver legal clarity and commercial insight shaped by the real-world pressures of your industry.

Personal Matters >
In life's defining moments, you need advisers who care and act in your interests. We bring expertise and empathy together to protect what matters most to you, your family and your future.

Training and products >
Our ready-to-use tools and expert-led training help you respond in real time. With access to compliant resources and guidance on emerging regulations, we help you act fast, think smart and stay fully prepared.

Sectors

Health and social care >
We support NHS and independent healthcare clients with legal advice that's clear, practical and built around outcomes. From public inquiries to health tech and regulatory change, we help you move forward with confidence, for your organisation, your patients and your community.

Marine, Trade and Energy >
From crisis response to global trade, our marine team is trusted by clients worldwide. We combine 200+ years' sector experience with round-the-clock responsiveness and deep technical expertise, helping you navigate complex challenges with confidence.

Other sectors >
Our expertise extends across a wide range of sectors. From education, energy and financial services to private client, real estate, retail and leisure, sport, technology, and transport and logistics, we bring sharp legal thinking shaped by your world. Whether you're managing growth, change or complexity, we help you stay compliant, confident and commercially focused.

At the heart of it all, we're people, not just lawyers. We invest in relationships that last, built on trust, understanding and collaboration. **For us, together is always better.**
