Healthcare training and events programme 2011

www.hilldickinson.com

National law firm of the year, Legal Business Awards 2010

Given the challenges currently facing the healthcare market, Hill Dickinson has developed a programme of training and events to support those operating within the healthcare sector throughout 2011.

Programme

The 2011 programme includes a series of acute trust forums and seminars relevant to:

- Acute trust forum
- Clinical negligence
- Data protection and freedom of information
- Employers' liability and public liability
- Mental health
- Mental health in the independent sector
- MHA administrators
- NHS estates
- Offender health
- Procurement law
- Pharmaceutical law, pharmacy regulation and medicine management
- The law relating to the dental healthcare market
- The White Paper

The events will take place in Liverpool, Manchester and/or Sheffield.

If you would like to register your interest for any of the above seminars, please email laura.myles@hilldickinson.com

Bespoke training

We also provide a wide range of bespoke training on issues including DoLS, NHS trust governance, witness statement taking, charity trustees and more. We can provide specific and tailored training at the request of your organisation. This is delivered at an agreed cost, and can take place either at your premises or our Manchester or Liverpool offices.
