## About Hill Dickinson

The Hill Dickinson Group offers a comprehensive range of legal services from offices in Liverpool, Manchester, London, Chester, Piraeus and Singapore. Collectively the firms have more than 1,100 people and 160 partners.

Hill Dickinson is a major force in energy and procurement, and in November 2009 won the Innovation Award at the Combined Heat and Power Association Awards.

The firm is well respected in the company and commercial arena and is widely regarded as a leader in the fields of insurance, intellectual property, health services, NHS clinical/health-related litigation and wealth management. Hill Dickinson also has a highly reputable commercial litigation practice and its marine expertise is internationally renowned.

As a recognised leader in commercial property and employment law, Hill Dickinson won the Insider North West's Property Law Firm of the Year 2006 and 2009, as well as The Liverpool Law Society's Employment Team of the Year 2009.

**Innovation Award winner,  
Combined Heat and Power  
Association Awards 2009**

## Contact

To discuss how energy services projects involving CHP technology can reduce your carbon emissions, lower your energy consumption, deliver new systems and control the cost of energy usage, and how we can work with you, contact:
