

## The complete legal solution for the retail sector: employment

**Hill Dickinson's award-winning\* employment law team acts for many high street retailers and related logistic businesses. We have a proven track record in delivering a high level service in a pragmatic and sensible way.**

### The solution

With experience of advising clients at every stage in the retail supply-to-customer chain, we provide advice and strategic guidance on a wide range of employment law issues. These range from HR matters and tribunal claims to organisational change and business transfers.

We provide:

- Real time advice
- Preparation of contracts, policies and procedures
- Claims handling including advocacy
- Support with restructuring
- Business protection
- Training
- Strategic development

We are experienced advocates and regularly appear on behalf of clients in the Employment Tribunal. We also have considerable experience of dealing with cases in the Employment Appeal Tribunal and the civil courts.

We are known for our responsiveness, commerciality and pragmatism. We know our role as a legal service provider is to get our clients back to doing their own business as quickly and inexpensively as is possible.

### The benefits to you

Each client has a dedicated team of qualified solicitors, available to provide instant accessibility and continuity 24/7. The size of the team allows us to service many national retail organisations when and where they want us. Our variety of services and payment options allows clients to utilise our services in the best way to complement their business.

**"Hill Dickinson's employment team has consolidated its already 'established and glowing reputation'... The team now includes experts in a number of specialisms including retail and logistics."** *Chambers & Partners Independent Guide to the UK Legal Profession 2009*
