

INTELLECTUAL PROPERTY AND INFORMATION TECHNOLOGY FOR THE NHS

MATTERS THAT DIRECTLY AFFECT YOU

- IT, software and related service provider agreements
- Ownership and exploitation of employee inventions
- Results of joint technology development or testing programmes
- Unauthorised third party website publicised grievances
- Data protection

DEDICATED TO HANDLING ALL TYPES OF INTELLECTUAL PROPERTY AND TECHNOLOGY RELATED MATTERS INCLUDING CONTRACTS, DISPOSING OF, ACQUIRING, EXPLOITING OR LICENSING INTELLECTUAL PROPERTY RIGHTS

We are experienced in identifying the various rights involved and how these may be best utilised and protected both in the United Kingdom and throughout the world. In addition, the team regularly handles the resolution of disputes concerning the infringement and misuse of intellectual property rights, whether by litigation, arbitration or mediation.

Our leading information technology/ intellectual property team comprises specialists who have both legal and technical backgrounds.

OUR EXPERTISE

- IP advice on copyright, trademarks and designs
