

NHS estates training

Interactive training exploring NHS estates issues for NHS teams

Committed to delivering high quality training, Hill Dickinson's experienced legal health team is delighted to offer bespoke training packages to suit your current training needs.

We can help you to:

- Identify strategic key issues at an early stage to reduce cost and delay
- Translate your deal into a binding legal contract
- Train your new people and update your experienced team
- Understand how best to comply with Estate Code and other governance issues

Our NHS property team is experienced in designing and delivering training packages to suit individual teams' needs.

This team "always goes the extra mile for clients," providing informative seminars, weekly updates, bulletins and training.

Chambers and Partners
2009 Guide to the UK Legal Profession

WINNER

National law firm of the year
Legal Business Awards 2010

We provide NHS estates training on the following subjects:

- Overview of Estate Code
- Introduction to landlord and tenant law
- Negotiating Heads of Terms
- Buying and selling NHS property
- Capital projects including PFI/PPP
- Introduction to LIFT and the legal documents
- Updates on property law and regulations
- Premises Costs Directions - what can you pay and to whom?

Our training can be:

- Formal or informal
- Presented in lecture, seminar or workshop style
- At your premises or any of our UK offices in Liverpool, Manchester, Chester and London
- From two hours to a full day, depending on your requirements

Whatever options you choose, the content will be tailored to your specific brief. We can provide training on other NHS estate matters if required.

Please contact us for a quote tailored to your needs.

Comments from previous health training:

“Extremely good seminar, gave me a lot of food for thought”

“A really good session”

“The content and delivery was spot on”
